Anchorage And Marine Parks

Synopsis

An invaluable reference to anchorages and marine parks on the British Columbia coast and in the San Juan Islands. Hundreds of color photos, mostly aerials, useful maps and diagrams, GPS coordinates and expanded coverage on the west coast of Vancouver Island. The many anchorages are illustrated with diagrams and photos that include all the popular cruising spots, such as the Gulf Islands, and the Inside Passage. Scuba diving and kayaking regions are also included in this user friendly book.

Peter Vassilopoulos has been boating in the Pacific Northwest for more than 30 years and is the author of a series of cruising guidebooks for this area. --This text refers to an out of print or unavailable edition of this title.

Good, a nice and clean used one.

A good companion book to Docks and Destinations. This book tells you where you can anchor, what the winds and protection might be or might not be in an area. Good book for someone that is not familiar with the San Juan Islands, Puget Sound, and parts of Vancouver BC Island.

ANCHORAGES AND MARINE PARKS is a revised, new edition offer a color format and a layout designed to provide quick and easy reference details to any mariner. The entire Pacific Northwest

and the Inside Passage of the west coast of British Columbia are covered in this practical guide, packed with maps and diagrams. A 'must' in any mariner's planning process.
