Viva Jacquelina!: Being An Account Of The Further Adventures Of Jacky Faber, Over The Hills And Far Away (Bloody Jack Adventures)

Synopsis

The vivacious Jacky Faber returns in the tenth tale in L. A. Meyer's Bloody Jack Adventures, a rip-roaring young adult series applauded for its alluring combination of adventure, romance, history, and humor. Once again under the thumb of British Intelligence, Jacky is sent to Spain to spy for the Crown during the early days of the nineteenth-century Peninsular War. She finds herself in the company of guerrilla freedom fighters, poses for the famous artist Goya, runs with the bulls, is kidnapped by the Spanish Inquisition, and travels with a caravan of gypsies . . . all while hoping to one day reunite with her beloved Jaimy Fletcher.

Customer Reviews

"A solid adventure tale." — Kirkus "A colorful addition to Jacky's wildly improbably but wonderfully entertaining adventures." — Booklist

L. A. Meyer (1942–2014) was the acclaimed writer of the Bloody Jack Adventure series, which follows the exploits of an impetuous heroine who has fought her way up from the squalid streets of London to become an adventurer of the highest order. Mr. Meyer was an art teacher, an illustrator, a designer, a naval officer, and a gallery owner. All of those experiences helped him in the writing of his curious tales of the beloved Jacky Faber. Visit www.jackyfaber.com for more information on the author and his books.

It was great hanging out with my dear old friend Bloody Jack, but over all I felt like this book lacked the same spirit of adventure of the previous ones. Too many new characters, not enough of the old ones. Enjoyable, but mostly the book just felt like a set up for the next one.

Jacky is the BEST!! I LOVED the parts that touch on reality and history, for instance, she works for Francisco Goya and participates in one of his famous paintings, which you can look up online or in art history books.....LA Meyer does a great job playing with this! This was one of the best of his latter books, not TOO much sex and misbehaviour.

Jacky once again finds herself in an awful situation but through courage and wit is able to win the day.

Jacky's adventures continue! The trials she faces in this book are taken on by the young heroine with a smile and a stroke of special Jacky luck. One will enjoy this book in a continuation of the Bloody Jack adventures.

The continued saga of Jacky Faber is just as exciting as the first novel was. I feel like you are there with Jacky on each and every adventure she goes on; fighting her fights and dancing to her music. This is definitely a page turner.

pleased with the condtion

That I have read this book three times should say it all. But that would not be enough, all you avid readers take heed, if you wish to be addicted. Bewitched I have read the whole jacky Faber series at least three times and some of the series six times. Now that truly says it all.

Meyer's mix of fantasy and history came together beautifully as Jacky made new friends and enemies . I rushed through it to read boston jack but now I gave a month to wait for her final adventure.
