SOZO Saved Healed Delivered: A Journey Into Freedom With The Father, Son, And Holy Spirit

Synopsis

Experience Salvation, Healing, and Deliverance in Every Area of Your Life For too long, the popular understanding of Christian salvation has been limited to securing a place in Heaven. Sadly, many Christ-followers experience constant defeat during their time on Earth. Something is missing. The Biblical concept of salvation comes from the Greek word Εσωση and has a holistic implication. Power and victory flowed through the New Testament Church because the early Christians understood how to live out their salvation in a way that impacted every area of their lives—spirit, soul, and body. In SOZO, Dawna DeSilva and Teresa Liebscher provide revelatory teaching and miraculous testimonies that paint a stunning picture of how to experience Heaven—freedom in every area of your life. You will receive: practical tools to deepen your relationship with the Triune God—Father God, Jesus, and Holy Spirit; victory strategies to help you disarm lies, break harmful patterns, shift spiritual atmospheres, and access the often-unreached realms of abundant life; keys to experience inner healing by breaking addictions, overcoming obstacles, and walking in sustained deliverance. Salvation is not simply a ticket to Heaven. It is abundant life that begins now and continues forever.

Wonderful book with an amazing way to heal yourself, deliver yourself from pain and misery and be saved. Loved it. Loved it so much I went to their website and bought the training books to do the Sozo method of healing on my clients. I do healing work with many, many types of healing and this is definitely one I will gladly add to my list to help people in need. I feel amazing after having read the book and learned the technique and had to get further into detail and the method for sure. Can't wait to get the materials. Thank you God for giving us all yet another method to heal us all. And thank you to the wonderful women who wrote the method down for us. God bless.

This book is a great read if you need answers concerning how to deal with your "stuff". Read this book and it will help you get on the road to freedom.

Sozo: Tools for Finding, Truth, Freedom, Inner Healing and Deliverance The Greek word Sozo is translated as: Saved → healed - delivered. A fuller meaning includes the model of being made whole. In their book "SOZO: A Journey into Freedom with the Father, Son, and Holy Spirit", coleaders of the International Bethel Sozo Ministry, Dawna De Silva and Teresa Liebscher provide practical core tools and techniques that lead to a deeper relationship with God; strategies for living abundantly, and keys to experiencing inner healing and deliverance. Each chapter is filled with examples and case histories of hurting people who have found hope; who are rising above and going beyond the trauma of growing up in a dysfunctional family, an abusive childhood, or broken relationships. Readers will be enlightened by seeing their self-worth through God's eyes; He created you for His unique purpose, and divine destiny. Dawna and Teresa provide interactive models of Sozo ministry sessions, probing discussion questions and activation exercises for Sozo clients and Sozo ministers in training. These illustrate the tools and techniques to prepare the reader to better experience freedom in every area of life, and to understand the process of training, mentoring, and ministering. A valuable glossary serves as an important aid to clarifying often misunderstood terms used in the area of spiritual warfare and deliverance ministries. "SOZO: A Journey into Freedom with the Father, Son, and Holy Spirit" is highly endorsed by well-known International Christian leaders in Biblical healing ministry as a clear model for finding freedom, fullness, and spiritual liberation. The book is informative, encouraging, with important guidelines, insight, and inspiration for anyone desirous of living a life of spiritual abundance.
