Great little book.

My 3 year old loves these short stories and answering the questions... perfect for his time before bed

My almost-2-year-old loves this book and always asks to read it. I love that there are discussion questions for each devotional, even though he's too young for those yet. Teaches good moral and social lessons and ties in faith principles and Scripture. I wish there were more devotionals in it, but

that's my only complaint!

Great book to teach little ones about God.

Just as expected. Nice slim design with room for ID, credit cards and dollar bills.
