It is way easier for my daughter to have the book for homework/studying for tests, than scrolling through a small laptop. Her grade actually improved. Parent-teach night...I asked the teacher if purchasing the book was necessary and she said, "I wouldn't." But it became obvious that a large 'paged' book would be immensely helpful.

This book taught me everything I know. Crystal clear and easy to learn.

It really helped to have the book on hand and not refer constantly to online version

I love it!

Glad to get the "real" book to compliment the online text book

We're pleased with the book and the time of it's arrival....thank you!

nice copy, new, awesome
