Nomad Mortis: A Kurtherian Gambit Series (Terry Henry Walton Chronicles Book 8)

Synopsis

They say that behind every great man is a great woman—but what if that woman is a Werewolf? The reviews for the Terry Henry Walton Chronicles are overwhelming. “Another great T.H. Walton story, I can’t wait for the next one! This one has it all drama, suspense, comedy, love, and a healthy dose of action. Pick it up and enjoy!” “The story line with the dynamic duo keeps you on the edge of your seat. I need more sleep, but I just can’t put my Kindle down.” Terry’s war against the Forsaken drags on, until he finds that the elusive Mister Smith has been playing chess while TH had been playing football. Where there’s one Forsaken, there’s more. When one falls, another rises to take its place. Will Terry Henry Walton’s war against the Forsaken ever end?

Customer Reviews

I really enjoyed reading this book. I like how every thing is getting tied together. I only wished that

Kim's husband would also get enhanced. It seems sad that she'll out live him.

This is the series that keeps on going with great writing and wonderful characters. You can't beat it with a stick. ENJOY

Continued developing the older characters while bringing in some new ones. Great story and I can't wait for the next one.

Excellent 8th book in the series. Waiting for the meeting up of the "timelines" and the "Queen Bitch" shows up. Great watching the children grow into their selves. They are as they should be considering their parents are both "kick a\$\$"

I liked it but it was bit confusing. Lot of things going on here, maybe bit too much. Things were happening in multiple locations and I'm not sure what all happened. Things just went bit too fast with too little detail for my weak pea brain.

FIVE stars for this book. This series is new to me. Not a space opera like my normal reading. Good editing very few mistakes. easy to catch up to the story line because I have read a later book first. Enjoyed the story. I will read more.

Book is a work of reading art excellent characters and plot keeps you on the edge of your seat now to sit back read it again and wait for the next book please note I have all books on kindle and paper back as they are released to join my book collection nad haven't been disappointed in any of them the series hags together and works well love them thanks Craig for making this reader a happy man keep them coming

I love all of the Kurtherian books, but these are always some of the best! The characters are so well done I care about them, even those that don't play a main part. Lots of action, too, hard to put down!
