Wonderfull!

Excellent contents, deep and accessible. Based on a 1993's symposium concerning the interdisciplinarity between Kandinsky's paintings and Schoenberg's music, specially in first decade of 20th century. *Schoenberg and Kandinsky: An Historic Encounter (Contemporary Music Studies)* brings elucidative articles, analysis of some paintings, scores with examples and more. I didn't finished the reading yet, but in 2 years researching about this is the best book I saw and probably the best book ever released about the theme. And if you're interested about this subject, I personally recommend *Arnold Schoenberg* and *Kandinsky*. Good Readings!
