King Lear (Shakespeare Made Easy)

Synopsis

Here are the books that help teach Shakespeare plays without the teacher constantly needing to explain and define Elizabethan terms, slang, and other ways of expression that are different from our own. Each play is presented with Shakespeare's original lines on each left-hand page, and a modern, easy-to-understand "translation" on the facing right-hand page. All dramas are complete, with every original Shakespearian line, and a full-length modern rendition of the text. These invaluable teaching-study guides also include: 1. Helpful background information that puts each play in its historical perspective. 2. Discussion questions that teachers can use to spark student class participation, and which students can use as springboards for their own themes and term papers. 3. Fact quizzes, sample examinations, and other features that improve student comprehension of what each play is about.

Book Information

Series: Shakespeare Made Easy

Paperback: 320 pages

Publisher: Barron's Educational Series; 1 edition (January 10, 1986)

Language: English

ISBN-10: 0812036379

Customer Reviews

Like I say about all Shakespeare: the Arden versions are my favorite. I own about a third of the Canon in them already. The footnotes are my favorite parts about it, and they're great because I don't have to carry my Lexicon around everywhere. King Lear is a brilliant play, all around. Between the family ties, the love and lust, and just the crazy existential dialogue, it's just a great read all-around.

I'm a fan of the layout of Folger Shakespeare Library. The covers are also beautiful, but the play on the right, explanation of archaic terms on the left style is very helpful to the reader and makes getting into Shakespeare much easier. King Lear is a great tragedy. It is very enjoyable.

This 'interpretation' alongside the original makes for much easier reading, while making the original so readily available also gives one the 'texture' of how the original felt. There is so much meaning and so much feeling contained in this play that the interpretation is essential unless one is able to interpret all the old English terms by oneself. So, I will certainly purchase further editions by this author's interpretations for more appreciation of the many plays of Shakespeare.

Every time I read this or watch this perform I feel changed. This edition is small, beautiful, and great. I have many of the plays in this edition, though truly the play is what makes me rate this so high. An exploration of madness, family, old age, and so much more. Read it and weep.

Was an AP English summer reading assignment. Read the Sparknotes after. Not my typical choice of text, but it is a classic

This is a welcome addition to my growing Folger library at home. Thank you!

Every time I re-read Lear I'm amazed at just how much pain and sorrow we must endure in life. This Folger Library edition makes the language easily comprehensible. One can read straight through without difficulty, which restores the tension and flow to the action.

Excellent collection of essays that enable students to consider the play in its historical context.
