Amy C. Rea was born and raised in Minnesota and has spent (almost) her whole life there. She writes about Minnesota for the CBS website wcco.com and for her own blog, A Closer Look at Flyover Land. She spends much of her free time exploring her home state, looking for the next hidden gem. Her books include Explorer's Guide Minnesota and Backroads & Byways of Minnesota. Rea lives in Eden Prairie, MN.

This book was almost always open as we drove through Minnesota. Accurate and guided us to stuff we wouldn't have known about otherwise.

You don't, until you've read this guide! This comprehensive look at the state contains wonderful surprises even for lifelong residents. With lively writing and a sharp eye for hidden treasures in every corner of the state, the author guides readers to the Minnesota which has been living a secret life behind the stereotypes all these years. Have you spent a night in The Old Jail B&B? Visited the Judy Garland Museum? Eaten baked beans at the Bean Hole Days festival? Well, what are you

waiting for?
