Santa Fe: History Of An Ancient City, Revised And Expanded Edition

Synopsis

In 2010, Santa Fe officially turned 400—four centuries of a rich and contentious history of Indian, Spanish, and American interactions. Pueblo Indians settled along the banks of the Río Santa Fe as long ago as the sixth century CE. By 1610, Spanish colonists had established the town as a distant outpost in Spain's expanding empire. Drawing on recent archaeological discoveries and historical research, this updated edition of a classic history details the town's founding, its survival through revolt and reconquest, its turbulent politics, its lively trade with Mexico and the United States, and the lives of its most important citizens, from the governors Peralta, Vargas, and Armijo to the Madam Doña Tules. The origins and transformations of the very building blocks of Santa Fe, from the iconic Palace of the Governors to the city's acequia irrigation system, are revealed in these pages.

Book Information

Paperback: 144 pages

Publisher: School for Advanced Research Press; Revised edition edition (July 1, 2008)

Language: English

ISBN-10: 1934691046

ISBN-13: 978-1934691045

Customer Reviews

Each chapter whetted my appetite for more. This publication has been updated with new research and knowledge. I would heartily recommend [this book] as a fun and engaging popular history with this caveat: the book is an introduction to a subject that is far more complex and layered than is portrayed. --Dennis P. Trujillo, *New Mexico Historical Review*, Summer 2010, vol. 85, no. 3
State of the art summary...about the prehistory and history of the Santa Fe area...invaluable for its presentation of recent research in Santa Fe. --New Mexico Archeological Council

David Grant Noble is an acclaimed photographer and editor of New Light on Chaco Canyon, The Hohokam: Ancient People of the Southwest, and author of Ancient Ruins of the Southwest.

Being a work of many authors, it presents a comprehensive view of Santa Fe's long and interesting history. The photos used add a great deal to the interest of the book. Reading this book was time well spent in preparation for a Santa Fe visit.

An excellent introduction to the history of this important place. The writing by all of the contributors is clean and coherent. If you are interested in getting to know Santa Fe, this history is a great place to start.

Lovely history of the city.

The chapter edited by Tara Plewa remains one of the most enlightened discourses on the Santa Fe River that I have ever read. Plewa is a brilliant writer, with a knack for detailing this area and its history in an unparalleled manner... this one is not to be missed, and be on the lookout for anything that Plewa writes!
