Rick Steves Snapshot Naples & The Amalfi Coast: Including Pompeii

Synopsis

You can count on Rick Steves to tell you what you really need to know when traveling in Naples and the Amalfi Coast. In this compact guide, Rick Steves covers the essentials of Naples and the Amalfi Coast, including Pompeii, Vesuvius, Positano, and Amalfi Town. Visit Naples's Archaeological Museum, the Pompeii Forum, or the cathedrals and beaches of the Amalfi coast. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket. Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

This a a great overview book. We used Mondo Tour Guides as suggested in the book for Pompeii and Naples and really enjoyed them. The fact that it just gives the highlights makes it light weight and easy to carry. Occasionally we would have preferred a bit more choices in terms of restaurant and hotel write ups but then I guess the book would become heavy and cumbersome.

This is the second Rick Steves book I have bought for my iPad. I don't plan to buy any more. The information is not ordered in a useful way, and the prices are way off. Use Frommer instead.

My husband and I used this book in detail. We saw and experienced sights and culture with ease of using this book. This book is included in the book Rick Steves Italy 2016.

Very thorough as Rick Stevens always is.

Very good overview of Napoli.

You can't go wrong with a Rick Steves book.

Very well written, the information is condensed and literally saved money by following the info and explanations in it! Great travel guide !

Just OK - not fabulous.
