The Terms: Part One (The Terms Duet)

Synopsis

I wanted to hate her. For three years, Camilla withheld the fact that my brother had a son, Liam. Then, Tony died without ever knowing his kid, and I was going to make sure Ms. Rose paid a price for her deceit. I also wanted Liam to be raised as a Burke. Our family's legacy was one to carry on, so the terms were straightforward. Live in my home. Allow me to help raise Liam. Oh, and agree to be my submissive. In return, I agreed not to rip Camilla's child away from her. I also offered them both financial security and a life of luxury. It seemed generous to me. It might've been simple, too, had she not reminded me of the lady in red. The one who haunted my dreams at night. Camilla's hazel eyes were a mirror image, her sweetness more than an acquaintance to my subconscious. I was a hacker by trade, and the internet was my best friend, sharing with me every secret I wished to unearth. I believed that until an unfathomable truth revealed itself in a different way. Some secrets are never whispered, only sensed by the heart, and all along, my soul held the truth. It hid even from me the most important secret of them all. The Terms ends in a cliffhanger. It contains explicit language and graphic sex, including aspects of BDSM. The second novel in the duet, The Terms: Part Two, will release June 2017.

Customer Reviews

This was a very hot book with a leaning towards BDSM. Camilla and Ellis seem to compliment each other very well as far as their personalities go. The book always alludes to a mysterious night from both points of view when Ellis and Camilla were together previously. The memory seems to haunt Ellis while Camilla was under the impression nothing happened. It will be interesting to see what happens in the next book. Very much worth your time.

In this book it seems like EVERYBODY has a ton of secrets!! I like the love story that's being woven into the secrets. Ellis & Camilla are very sweet with each other. I enjoyed this first installment and am anxious to see what happens in Part II.

Once again this author has written a great book. I loved the story line. I loved the characters. Camilla a single mom meets Ellis. She must follow his terms in order to keep her son. This book is sexy and hot. I definitely recommend this book.

This book is exactly what I was needing for a fun summer read! The perfect amount of twists and turns that leave you anticipating more. Ruby's writing draws you in and you'll definitely stay up all night with a book hangover. I love Ellis and Camilla's story and can't wait for book TWO!

I couldn't put it down! Romantic and sexy and a little on the edge of my seat! I'm really enjoying this story. Can't wait to read the second book! I highly recommend reading this book

I'm a passionate book lover, and I loved this book. The storyline kept me interested and it was filled with lots of naughty, steamy scenes. Looking forward to book two and other books by this author. It's refreshing to find a good writer. Thank you, so that I may escape for just a little while from the immense pressure of everyday life. Grateful!!!

This story has so many hidden truths that I bet there are still some no one knows yet. Camilla is trying to make the best of a bad situation. Ellis has a strange pull toward Camilla but doesn't understand why. Ellis and Liam may be the only two not lying. So glad book 2 comes out in a few days.

I highly recommend this book. I love the characters and can't wait read the next book. I hope it comes out soon
