Wayne Gretzky: Hockey Great (Sports Achievers Biographies)

Synopsis

After nearly two decades in the NHL, Wayne Gretzky continues to hold most of the league's major scoring records. In fact, he holds more NHL records than any other player. Growing up in Ontario, Wayne started playing hockey when he was only four, on an ice rink his father built in their backyard. He went on to become known as "the Great One," playing in 18 All-Star games, named MVP nine times, and ranked as the league's leading scorer 10 times. This completely revised and updated biography follows Wayne's exciting career, from his four Stanley Cups with the Edmonton Oilers to his achievements with the New York Rangers, and retirement from Hockey.

Product Dimensions: 8.3 x 6.8 x 0.4 inches

Shipping Weight: 8.3 ounces

Average Customer Review: 3.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #17,943,435 in Books (See Top 100 in Books) #66 in Books > Teens > Sports & Outdoors > Hockey #702 in Books > Teens > Biographies > Sports

Customer Reviews

Book was supposed to be an updated edition. When we recieved it we realized it wasn't. Wouldn't have purchased it if we knew.

I'm writing about the book I read in Social Studies. This book was farly good. This book talked about Wayne's life. It said that when he was a little kid he moved to Toronto to get away from all the paretns who's kids were mad that he was always scoring. At a young age Wayne played hockey with his grandmother. Wayne was also great as a young boy. Wayne was 18 years old when he started to play hockey in the NHL. Wayne has 40 Reular season records. Wayne played for 4 different teams. Wayne Gretzky is the greats or one of the greats. I think that if you like sports you should read this book.
