Customer Reviews

So deserving of the five stars I have awarded to this story, and really deserving of more accolades. I am eternally dedicated to Mr. Petit as I have been to C. J. Box and the Joe Pickett series. This story was sensational and I was completely mesmerized from beginning to end. I sincerely recommend this novel to all lovers of a truly exciting western romance. Believe me, you will be as touched throughout this novel as I was. Please: Do not miss this opportunity, as it will certainly be your loss!

This story is well-written, and enjoyable to read. As with other C. J. Petit books it contains both action/adventure and romance. It is the story of a man's life and the people around him. A man who has to hunt his brother as a fugitive and kill him. A Cain and Abel story with a different twist. Unless you are a cold-hearted, miserable, old bastard you should enjoy this book.

Wow, and I thought that the last book of this authors that I had read was good. All of this story was

great and I went through several different emotions. Even ended up with tears. Love the .
Description s that he gives. Wonderful reading when you don't want to put it down.

This is my 11th book I have read by Mr. Petit. He is a great story teller. I understand he did his own editing and you can tell he is a much better at writing than he is at editing. I enjoyed this book very much.
