Customer Reviews

This trilogy is one of my favorites of all time. I love most historical novels but this one is at the top. I hated for it to end. In the 2nd book, The Handsome Road, the description of how the people had to live during and after the civil war was incredible. I loved them all. I hope she writes more soon. I am in the process of reading another book of Ms. Bristow, Celia Garth, which seems good so far. If you love historical fiction, you will love this trilogy.

I've read other books by Gwen Bristow over the years and I have to say I enjoyed this trilogy very much. I liked how each book was dedicated to a different generation.

Quite a mixture of characters interwoven into one another's lives. This a story that keeps your attention and uses customs and actions of the characters that could have easily been "appropriate" at the time without pointing them as if it were a history lesson.

My favorite books!!!

Very well done. I did not expect these books to be as good as they are. Well written. Love the Civil war period and the author captured it well. Plan to read other books by this author based on this trilogy.

Wow you will fall in love with this story. Settle in for a week of true joy. Love this trilogy!!!!

Very good thoughts about historical events making huge impact on every day life.

I first read this series over 50 years ago. I enjoyed reading it the second time even more than the first. After 50 years, I can truly appreciate the historical significance as well as the emotional interaction between the characters. This series was written nearly 75 years ago, but it is an enjoyable, easy read that I have suggested to my friends who are fans of historical fiction.
