Customer Reviews

This planner is perfect for me but everyone is different so I took a pic! Hope it helps.

Great layout on the inside. Outside looks like the picture

LOVE this! It's not pre-dated, so you can start anywhere in the year. It features goal setting tips, memo and note slots, even outfit choice reminders! Each area is well-sized to fit its purpose.

This was a really well made and detailed planner. Love the colors and quality, and my daughter is excited to keep track of her schedule on her own now. Highly recommend.

I love this book . . I don't use it as often as I should which makes the book that much more wonderful because it doesn't have pre-printed dates. I would recommend it to anyone who loves wonder woman as much as me

Great, take anywhere, simple journal. Got one for me & one for my beautiful daughter.

Nice lay out without dates so I can pick up where I left off (I do that a lot). Not crazy about the cover.

This planner is super cute, and I absolutely love the cover. Lots of room to include all kinds of

information.
