Let's Go Rome, Venice & Florence: The Student Travel Guide

Synopsis

Welcome to Italy, the laid-back land of Roman majesty, Tuscan sunshine, and Venetian romance; at least, that's what they say in the tourist brochures. Our student researchers have lived the real *vita bella*; dodging rogue scooters, unscheduled bus strikes, and overeager Italian suitors; in order to bring you the coverage that really matters. Their irreverent, in-depth commentary will keep you entertained through scores of Michelangelos and Medicis, and guide you straight to the best gelaterias in town. Whether you're studying abroad in one city or hostel-hopping between all three, *Let's Go Rome, Venice & Florence* will prepare you for an adventure you'll never forget. *Let's Go* publishes the world's favorite student travel guides, written entirely by Harvard undergraduates. Armed with pens, notebooks, and a few changes of underwear stuffed in their backpacks, our student researchers go across continents, through time zones, and above expectations to seek out invaluable travel experiences for our readers. *Let's Go* has been on the road for 50 years and counting: We're on a mission to provide our readers with sharp, fresh coverage packed with socially responsible opportunities to go beyond tourism.

Customer Reviews

Every summer for the past 50 years, Harvard students have gathered together the bare necessities and set off with nothing but a backpack and some old-fashioned grit. Budget-conscious gourmets, nimble transit-takers, and die-hard bar-hoppers; *Let's Go Researchers* have the time

of their lives, so you'll know exactly how to have the time of yours. As our veterans like to say, it's more a lifestyle than a job. We've done it all; the good, the bad, the ugly, and the unforgettable; to bring our readers the most candid, witty, and irreverent travel advice available.

Out dated information. Most places (restaurants and hotels) don't exist any more (Nov, 2014). Internet more up to date and reliable. Waste of money.

Photos in black and white. There are better guides out there. this was not worth the price charged. Would not recommend.
