Building God's Kingdom: Tipper Tells A Lie

Synopsis

Building God's kingdom – one step at a time! It's time to get to work! The trucks have gotten their assignment and are ready to build! But as they prepare to head to the construction site, Tipper tells a lie. And Tipper's lie catches up with him . . . ! How will they do their jobs? And learn about why God says it's so important to be honest? Dozer, Diggit, Stretch, and Tipper must use their special traits and work together to get their job done and bring glory to God. Parents will love this fun story that helps kids learn about honesty and telling the truth. There are few faith-based books aimed at boys. This new inspirational brand for little boys resonates with the hot construction trend such as *Where Do Diggers Sleep At Night?* and *Goodnight, Goodnight, Construction Site*. Construction and trucks remain an evergreen interest with boys, making these books strong standalone titles. Andy Holmes is a bestselling author for kids with more than 500,000 books sold. Andy Holmes is a creator, performer, writer, and songwriter. He is a frequent conference speaker, teacher, and workshop leader at events all over the country. Andy has appeared on The 700 Club and numerous other talk/interview radio and television programs. He is the author of the Tommy

Nelson children's books Growing with Jesus and the Bible for Me series.

I love the moral of the story. It's really cool as well because my three-year-old loves diggers and dump trucks and all things vehicular. He does tend to lose interest near the end of the book were actually teaches a lesson though. But I personally love this book a lot.

We were struggling with our 4yr old telling little white lies and stretching the truth. We all know where that can lead, so we were stopping it immediately. This book is a great intro to another life lesson of being truthful.

Cute story for little children. Teaches how God does not want you to lie!

I bought this and Diggit Saves the Day for my 2- and 4-year-old boys for Christmas. They were a hit! Books are much thicker and sturdier than I guessed they would be, the illustrations colorful and fun.

My 4yo boy loves these books and my 2yo girl also does! :)

These books are fun with a positive message about life's little lessons.

Tipper learns that lying leads to more lies. His lies hurt his friends and by the end he has vowed to never lie again. The Bible is referenced and Tipper is forgiven. Useful for encouraging your child to tell the truth.

What little boy doesn't love construction equipment? This new series from Andy Holmes and Tommy Nelson is specifically designed to appeal to little boys. The featured friends are Dozer, Diggit, Stretch and Tipper. They use the different scenarios in their jobs to teach valuable life lessons to little boys. The lessons are simple to understand, yet important for growing little boys. It is always better to be kind and you should certainly not tell a lie. Each of these concepts is taught in a manner that encourages the behavior rather than scolds the action. If you have little boys in your tribe this is the perfect addition to their reading library. I look forward to the coming additions to this clever new series. I received a copy of this book to facilitate my review.
