Dimes: Plain (Official Whitman Coin Folder)

Synopsis

Thanks to the Statehood Quarter Program, coin collecting has never been more popular. And to take advantage of this new interest in the hobby, we're giving our complete line of Whitman Classic Coin Folders a beautiful new look.-- Multi-million dollar cover updates for the entire Whitman line!-- True-to-life foil colors reflect and beautifully represent the coins each folder holds -- e.g. Copper foil for Lincoln Cents, Silver foil for Jefferson Nickels.-- Traditional Whitman blue vinyl matches past Whitman products.

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 3.9 out of 5 stars 8 customer reviews

Best Sellers Rank: #534,385 in Books (See Top 100 in Books) #61 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#) #43708 in [Books > Teens](#)

Customer Reviews

These folders got pretty good reviews, but after my experience with this one, I would probably never recommend this product. With the exception of two things, this folder is crap. The lower price was nice, and your coins will NEVER fall out of the slots once they're locked in. This only happens though if you're actually able to get the coins into the slots in the first place. It took me forever to put my coins into this folder, and my fingers were all smashed and sore from having to force the coins into the slots. Three or four coins went in smoothly, but the overwhelming majority did not. I have two Littleton coin folders, one for pennies and one for quarters, and I love them. I bought this folder because it was cheaper than Littleton folders, but it's just not worth the struggle. I have never had any bad experience working with the other brand of folders, and I will not be going with Whitman folders again.

Awesome

Just like I remembered when I bought them new many years ago. One of the very few items that have kept their quality level.

This Dimes plain coin folder with no dates worked well for my limited number of barber and mercury dimes.

What she wanted.

no complaints

This folder is a blank folder, according to the description on .com. You are free to develop the creativity to create your dimes collection

This folder has no dates. Yes, it is for dimes, but you date them, you order them. I didn't realize that when I bought it. If you're used to the year with the mint, this isn't the folder for you.
