# Where Is Curious George? Around The Town: A Look-and-Find Book

## Synopsis

Join Curious George on an adventure around town. Each full-to-bursting scene represents a favorite spot in the neighborhood, from the playground to the library to a hopping farmer's market! Jaunty rhymes introduce each inviting location and list the objects readers can find: "Find a stroller, find a doll / Sandbox shovel, soccer ball / Bird nest nestled in a tree / Now, that monkey, where is he? / Where is George?" The colorful 10 x 10 cardstock pages will hold up to years of enthusiastic exploration! For more monkey fun, investigate [www.curiousgeorge.com](http://www.curiousgeorge.com) and discover all the latest on Curious George, books, promotions, games, activities, and more.

Grade Level: Preschool - 3

## Customer Reviews

The Reys were born in Hamburg, Germany. Hans Augusto Rey (1898-1977) met his wife-to-be, Margret (1906-1996), at a party in her father's home in Germany; when he first caught a glimpse of her, she was sliding down the banister. In their twenties and thirties they lived in Paris and in Rio de Janeiro, where Hans sold bathtubs in villages along the River. Eventually Cambridge, Massachusetts, became the Reys' home and community. Throughout their lives the Reys created many lively books together, including SPOTTY, PRETZEL, and lift-the-flap books such as

HOW DO YOU GET THERE? The manuscript of the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and CURIOUS GEORGE was published in 1941. Their incorrigible little monkey has become an American icon, selling millions of books and capturing the hearts of readers everywhere. CURIOUS GEORGE has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS. Visit [www.curiousgeorge.com](http://www.curiousgeorge.com).

My 2.5 year old loves curious George and these look and find books. I like that it has a small story on each page with a few items to find. You can then have your child find items that you name off. That's my daughters favorite part. There are many pages so typically we read one book then we look at 3 or so pages from this (we look at this book twice a day... I can't do every page 2x a day! It's too repetitive! Lol) it's a really fun learning tool.

Two year old I gave this to loves it. Now that she knows where George is on every page she looks for other things. I gave it to her to take on an airplane and parents reported that it kept her amused for most of the trip. Would definitely buy again.

My son loves these books. I wish there were more- we have 2. He's learning to talk and points to the items and says what they are.

Great book for my two and a half and three and a half year old! They love reading this book at bed time over and over again even though they practically have it memorized. Easy enough to make it more challenging by asking them about other items not listed in the find boxes.

Great book for tiny inquiring minds. Great graphics and well made.

Good product! Fast delivery! Good seller! Thanks

My three year old loves this book. We have read it almost daily for the last few weeks!

My daughter has always liked look and find books. This book stands out from other "Look and Find"

books because it is well written and very enjoyable to read to a young child.
