Defeating Dark Angels: Breaking Demonic Oppression In The Believer's Life

Synopsis

A Practical, Complete Guide to Defeating Demons

Demonic oppression is a very real spiritual phenomenon, yet it remains a terrifying and misunderstood subject for many Christians. What does the Bible say? Can demons exert power over Christians? Can a Christian be possessed? How do you know if a problem is psychological or spiritual? In this revised edition of *Defeating Dark Angels*, Dr. Charles H. Kraft, a retired evangelical seminary professor and experienced deliverance minister, reveals everything you need to know. With clarity and biblical insight, he explains

- why and how dark forces come against God's people
- our authority as Christians over demons
- how to resist the influence of demons
- how to break their hold on the lives of others
- the need for continued healing and care after deliverance through counseling

Weaving practical application with firsthand accounts of demonic activity in the lives of real people, this is your complete guide to defeating dark angels and ministering God's freedom to others.

Customer Reviews

Originally published in 1992 and it was OUTSTANDING then. Now with the revised edition, I simply had to take the opportunity to reinforce the opinion that I have of all of Mr. Kraft's work. You simply cannot go wrong with anything he writes.

Dr. Kraft describes how the front lines of spiritual warfare actually look. When this work on the demonic is paired with his exposition on how dissociation works to compartmentalize memory of traumatic events and emotions and keep them from immediate consciousness, the spiritual toolkit is greatly enhanced. His works are absolutely required reading for anyone committed to helping those who struggle with a range of issues that do not readily yield to psychological remedies.

A real eye opener! Amazing how blind we can be. Also that everything still applies as God's word says. We need to be aware. We can not ignore this.

Excellent book on difficult topic. Read carefully, then pray.

This is THE book you have to have if you are taking on the demonic. Dr. Kraft's excellent writing and organizational skills make this an easy read, BUT what's the best is that he gives so many examples, lists of the demonic and situations to watch for. His key is to clean up the "garbage" that the demonic attaches to and then cast them out. I read his, "I Give You All Authority," earlier and it was great, but this and "Two Hours to Freedom," complete the "how-to" once you understand the authority we have in our Lord Jesus Christ. Excellent. Would recommend this to any one who is doing inner healing, deliverance or whatever you want to call freedom from the demonic.

This book was so helpful for understanding how things happen. I am thankful knowing how to fix mistakes. More thankful for God who loves me

This book de-mystifies demons and gives us a pretty clear picture of who we are in Christ and how we are to defeat our enemy.

Kraft's depth and understanding of spiritual warfare and the teaching that we have nothing to fear and should not ignore the reality of it are imperative to our faith & quality of life as Christians.
