Customer Reviews

“ Frustrated with the limited options available for legal titles--many being overpriced, printed in small sized font, and filled with excessive editorial materials--Nicholas set out to publish titles that are more user friendly. “ So far he has compiled print and electronic editions of the Federal Rules of Evidence, Federal Rules of Civil Procedure, Louisiana Civil Code, Louisiana Code of Evidence, and Louisiana Code of Civil Procedure. These titles are reasonably priced and printed in an easy to read font size and format. “ Nicholas is also the CEO and Publisher at Gulf Coast Legal Publishing. For a complete list of available their available legal books, visit gulfcoastlegalpublishing.com. “ A graduate of the Paul M. Hebert Law Center at Louisiana State

University, Nicholas has been practicing law since 2010. He has a Bachelor of Arts in Political Science with minors in Philosophy and Sociology, a Juris Doctor Degree, and a Graduate Diploma in Civil Law. Nicholas focuses his practice on property insurance claims and select personal injury cases. His law office website is nmglegal.com.

Must buy if you are a law student or a lawyer. The pages are high quality and allow you to highlight articles without the ink leaking onto the next page. The words are easy to read and there is area in the margins where you can write notes. It delivered fast and in perfect condition. I ordered it with standard shipping and got it within 2 days. Very satisfied with my buy.

Louisiana Code of Evidence is the best quality edition I've bought yet! Very helpful!
