Customer Reviews

David Blattel is a commercial photographer whose clients include Disney, Fox Broadcasting, Microsoft and more. He lives and works in Topanga, California.

I've been buying the H-D calendar for my husband as a Christmas gift for at least 10 years. The pictures are beautiful. The only gripe I have is that for the last 5 years or so, the holes for hanging are a different distance apart every year. Now I have many holes in my wall in the same general area.

I love the David Blattel Harley Davidson calendar, we buy one every year and it hangs in the kitchen. Great size, great photos. I get allot of free calendars from work but no Harley ones, I'm glad

they are available from because it's way more convenient than trying to find one in the shops.

This calendar was a gift. But the quality was obvious when I received it and the recipient absolutely loved it. The larger size, the photos, and overall great quality made it a winner!

These are the best Harley Davidson calendars. The size is awesome, the pictures are clear and well positioned, its like having a new poster each month. I give these to my Harley riding buddies every year for Christmas. They all appreciate getting a new calendar and look forward to receiving them.

I guess it's okay. It was a gift so it's a little hard to say. Brother said a collective "thank you" for his Christmas gifts ... typical man, huh?

I bought this for my aunt for Christmas and she loved it. It's shaped more like a rectangle which is a bit different for a calendar, but because it is a motorcycle it allows you to see more of each bike. I've bought these the past few years and cannot say enough about them!!!

Better price than could get at the Harley dealership- that's a win in my book! Large size and great quality

I got this for my fiancé and he loves it, the pictures are beautiful and it is big
