[Books > Religions > Judaism](#) #70 in [Books > Religion & Spirituality > Judaism > Jewish Life](#)

Age Range: 2 - 4 years

Grade Level: Preschool and up

Customer Reviews

PreS-This concept board book introduces both the Jewish holidays and the colors of the rainbow (plus white, brown, and silver). Beginning with the red apple on Rosh Hashanah and ending with the orange flames of the Shabbat candles, it is right on target. The big and bold illustrations are stencil-like in appearance. The text is repetitive in a comfortable way, with the briefest explanations needed for the holidays and colors ("What is WHITE? The cover of the Torah on Yom Kippur. That is WHITE.") This book is clearly aimed at a Jewish audience, as there is no glossary or pronunciation guide. A must-have for libraries with a Jewish preschool population.-Yapha Nussbaum Mason, Brentwood Lower School, Los AngelesCopyright 1998 Cahners Business Information, Inc.

No Bio

For my one-year old, the flat and over-simplified images are a turn-off. I think the text is fun, and it uses a familiar structure from the Haggadah, but the text and images are poorly matched to each

other. Additionally, the visual composition of most of these images is very cramped and uncomfortable to look at. I keep trying with this book, and he just keeps hating it.

THE COLORS OF MY JEWISH YEAR is a board book designed to introduce your toddler to the Jewish holidays and practices by associating bright colors with Judaism's many symbols. Although I've never seen a brown dreidel, I have seen red apples, yellow etrogs, purple wine, and orange candle flames. These simple illustrations will set a nice foundation for your child's Jewish education.

Perfect book for little ones.

graphics and words are simple. great for introducing colors and jewish concepts together. my 6 y.o. is still not tired of it. as i've said about many books, this is a basic to have in your jewish books collection. we use chanukah time, especially, to add books to our jewish library.

Such a cute book! My grandsons will love it!

I bought it for my three kids and my two year old loves it! the pictures are very simple with the focus really being on the color being talked about. it's also nice that it used holidays to build up faith as well. I would recommend this book very highly and am planning on buying a copy for my shul play room.

This is perfect for little ones under 2 to learn their colors and identify Jewish items they will regularly see (star of David, Shabbat candles, Kiddush cup, etc.)

Just what expected
