Customer Reviews

Helpful enough for a tiny little pocket guide. I don't think it gave me any new info that I hadn't already garnered from "The Ultimate Kauai Guidebook, Kauai Revealed" which is much more in-depth and still small enough to keep with you. This Shortcut guidebook has some nice maps, and seems like it should be useful, but I bought the Holy Grail of guidebooks at the same time, so this one has gotten less attention.

Very informative and easy read layout. The shortcut guide hits all the notes. And the kindle price is a bargain.

Handy size and easy to use when out and about on Kauai

Perfect! Everything anyone needs to know!

Would recommend if planing a trip to Kauai for the first time. Good information.
