Benjamin Mendlowitz has devoted his life to capturing the the magic of wooden boats in color photography. His work has regularly appeared in feature articles and on the covers of the most respected magazines in the boating field as well as in many general interest magazines and books. His nine books include The Book of Wooden Boats series. He lives in Brooklin, Maine.

I get one of these every year for Christmas. Great for keeping track of birthdays, etc., and it's a great decoration and a reminder that summer boating is not all that far off.

I have bought this calendar every year for over 20 years. Absolutely my favorite calendar. Great photos of classic wooden boats. I would like to see more power boats included - the sails outnumber power about 4 to 1 I would guess.

Beautiful pictures at an excellent price!

My husband loves these calendars.

Fabulous as always, a Christmas "must have" for my husband.

Gift for a friend that loves wooden boats. he was thrilled.

Love this calendar! I have been getting this from my wife for Christmas for years and every year I love the photography. Gets me through the the long winter.

I love wooden boats (especially sailboats) and Benjamin Mendlowitz has a way of capturing the essence of a boat whether underway or at anchor.
