Johanna Lindsey CD Collection: Heart Of A Warrior, The Pursuit, Marriage Most Scandalous

Synopsis

Heart of a Warrior: Brittany Callaghan thinks she's dreaming when a blond, nearly seven-foot-tall Nordic god shows up on her doorstep in her tiny California town. She is taken aback when Dalden, a spectacular Viking who is a long way from home, needs her help - and is willing to pay for it. Dalden is a warrior to the depths of his soul - a man who will fight fearlessly and relentlessly for what he wants. And now, what he wants most of all is Brittany . . .

The Pursuit: What was to be a grand adventure for Melissa MacGregor - an escape from the wilds of her Scottish home into the whirl of the London social scene - seems to pale before the promise in the passionate gaze of Lincoln Ross Burnett. But Melissa's stifling, disapproving uncles are now determined to rob the Viscount Cambury of his newfound happiness. Yet he is equally resolved to confront the peril . . .

Marriage Most Scandalous: Lady Margaret Landor pays a visit to a ruined castle in the north of France, intent on hiring the Raven to investigate suspicious occurrences back in England. But she can barely conceal her shock upon meeting the handsome killer face to face - for the Raven is none other than her former neighbor, Sebastian Townshend. As they uncover the intrigue, a love begins to blossom that neither Sebastian nor Margaret anticipated - and that neither of them can resist.

Johanna Lindsey is one of the most popular authors of romantic fiction, with over sixty million copies of her novels sold. World renowned for her novels of "first-rate romance" (New York Daily News), Lindsey is the author of forty-three previous bestselling novels, many of which have been #1

New York Times bestsellers. Lindsey lives in Maine with her family.

Great collection. Had The Pursuit on cassette but need to replace it with a CD. Enjoy the story lines which are well developed and satisfying.

Johanna Lindsey has done it again and again... another set of wonderful stories to keep you on the edge of your seat.. it is so great to have these stories on CD for people who are driving a lot or who can't read anymore. They take you to far away places in jolly old England and through out Europe with plot twists and a bit of history all rolled up together. Johanna Lindsey continues to be one of my favorite authors that stand the test of time.
