## Customer Reviews

Great recommendations for things to do in Split and Dubrovnik-- the walking tours and restaurant reviews were extremely helpful in picking out what we wanted to see and eat. All recommendations were spot on. For future editions, I would have liked a little more information/recommendations for the islands (we visited Korcula and Mljet, and had to do quite a bit of research on our own).

Helpful at times but we found that quite a bit was outdated despite being published only 4 months ago. Many restaurants we walked around town to find, only to learn they were closed or relocated across town, prices were often inaccurate and time estimates for ferry travel were wrong for a few of our destinations. You may want to try the Rick Steve's version instead.

Very informative and helped me make the most of my time in Croatia.

Great concise book. This is my third one on Croatia. Gets even better with each edition. Thank you.

I have used Lonely Planet in the past and always found their books spectacular

Great book -- don't go to Croatia without it. I found it helpful to explore regions not on my itinerary.

Great travelbook, really detailed with everything you would want to know about Croatia

I've traveled all over the world and Lonely Planet books are the best prep books and travel guides!
