The Church From Age To Age: From Galilee To Global Christianity

Synopsis

The Church from Age to Age examines key historic events from the time of the apostles through today. Informative and clearly written, readers of all ages will find the answers to the who, why, and how behind the current state of Christianity the world over. Maps, readings from primary sources, and an extensive bibliography, index, and timeline make this a complete one-volume resource for the classroom and for home.

Customer Reviews

An outstanding book! . . . Combines all the elements that make for a great text. --Robert Caldwell, Southwestern Baptist Theological Seminary A clear, thorough and balanced coverage of world Christianity. --Bradley Nassif, North Park University (Chicago) A marvelous survey text. . . . I will certainly be using it in my own teaching ministry. --Douglas A. Sweeney, Trinity Evangelical Divinity School Very readable and lively. . . . Exceptional research. --Chris Chun, Golden Gate Baptist Theological Seminary Both erudite and accessible. . . . Encourages a truly global vision of the Church. --Joseph P. Amar, The University of Notre Dame Filled with a rich array of fresh resources for . . . study and teaching. --Garth M. Rosell, Gordon-Conwell Theological Seminary Accurately reflects the dispersion and diversity of the Christian movement. --Nathan A. Finn, Southeastern Baptist Theological Seminary [A] magnum opus. . . . See where Christianity has been and where it is going. --Joel C. Elowsky, Center for Early African Christianity, Eastern University Very readable and lively. . . . Exceptional research. --Chris Chun, Golden Gate Baptist Theological Seminary Both

Finn, Southeastern Baptist Theological Seminary [A] magnum opus. . . . See where Christianity has been and where it is going. --Joel C. Elowsky, Center for Early African Christianity, Eastern University

Concordia Publishing House has recently released a fine new church history textbook titled *The Church from Age to Age: A History from Galilee to Global Christianity*, under the general editorship of Edward A. Engelbrecht. Simply put, *The Church from Age to Age* is the best single-volume church history textbook I've read. Though written from an explicitly Lutheran perspective, the contributors avoid an unnecessarily party spirit and write for a broader Christian audience. As a specialist in modern church history, I'm especially thankful the contributors give considerable treatment to post-1914 persons and events, including the expansion and development of Christianity in the non-Western world. The book is user-friendly, combining an easily readable narrative with a generous amount of pictures, charts, time lines, appendices, bibliographies, and primary source selections. I will likely use it in my church history survey classes next year. It will mean updating my reading quizzes (bummer), but it's worth it to get this book into the hands of my students. --Nathan A. Finn, PhD - Associate Professor of History Theology and Baptist Studies Southeastern Baptist Theological Seminary

Foreword by Paul L. Maier, PhD, Russell H. Seibert Professor of Ancient History at Western Michigan University Contributors include:--Dr. Robert G. Clouse is professor emeritus of history at

Indiana State University. He was a founding member of the Conference on Faith and History, served on the editorial board of the Brethren Encyclopedia, and was a contributing editor of the New Twentieth Century Encyclopedia of Religious Knowledge. --Dr. Karl H. Dannenfeldt served as professor of history at Arizona State University, the American editor of *Archiv fuer Reformationsgeschichte*, a committee member for the American Society of Church History, and president and officer for the American Society of Reformation Research. --Edward A. Engelbrecht (STM) is senior editor for professional and academic books at Concordia Publishing House and general editor for *The Lutheran Study Bible* (2009), which is currently being translated into Spanish and Portuguese. --Dr. Marianka S. Fousek is an independent historian who served as a professor at Miami University and other schools. She also served as a council member for the American Society of Church History. --Walter Oetting (MA) served as professor of Church history at Concordia Seminary. He died young, just after completing his book for the Church in History series, which was reissued in 1992 due to its continuing interest as an introductory text. --Dr. K. Detlev Schulz is associate professor and chairman for the department of pastoral ministry and mission at Concordia Theological Seminary, serves as the PhD supervisor of the missiology program, and is dean of the graduate school. He grew up in Africa, studied in Europe and the United States, and served as a missionary in Botswana. --Dr. Roy A. Suelflow served as a missionary in China, Japan, and Taiwan. He also served as a seminary professor and mission director in East Asia. He later taught church history at Concordia Seminary and served as associate editor for the *Concordia Historical Institute Quarterly*. --Dr. Carl A. Volz served as professor of church history at Luther Seminary and as an editor for *Dialog: A Journal of Theology*. In 1997, the American Academy of Parish Clergy selected his book, *The Medieval Church*, as one of the ten best books of that year.

The Church from Age to Age is a great summary history of the church from Pentecost until the 21st century. It is a big book but with a helpful font to read in and so it doesn't seem as long. Because it covers so much, it must necessarily summarize rather than fully relate. As a result, I felt that I learned a lot in a little bit of time. Special attention is given to Luther and other theologians and individuals who cast a big shadow over Christian church history. They devote some space to the Eastern tradition which was pretty unknown to me, but was a generous appreciation of achievements made in that often forgotten strand of Christian life and doctrine. The political and social circumstances are given ample space as well, so one feels that he or she is reading a human history and not just a church history devoid of context.

I bought this book for my Church History II class in Seminary and I've only read a couple chapters but it has a lot of great information and is very readable. It is a very thick book and heavy to hold for extended reading and I wish it was hardcover because it is very flimsy. Other than that, it was a great price, great quality, very happy.

How often do we relate to the Holy Bible through our own environmental, social and cultural experiences. This book puts the chronology, cultural and environmental settings in context and gives insights that enhances the reader's understanding of the true message God brings to us through His Word.

Very easy to read and a wealth of information. It is a great addition to several other texts I use in my personal study of the history of Christianity.

Awesome book! Definitely an easy read without a bunch philosophical words or terms to bog you down.

I always wondered about the history of the Christian church after the New Testament. This volume is ver comprehensive, and perhaps has more detail than I was looking for, but it is a fascinating church history book.

This book is a great history of the Church, but for its price, there are better works out there. It does have some new perspectives, and it is written extremely well, but it was a bit expensive.

Gave great insight and depth to the topic at hand. It was well written and a joy to read. I will read it again soon.
