This is great! I don't think you should write another one this time, but, on the other hand THIS IS GREAT!!!!!!! (Error: by the way, you said Conrad was as high as Manny's knee. Either Manny is a

small Giant, or Conrad is twice the normal human size. You see, typically, you are as high as a Giant's ankle in Minecraft"

Wow. A monster created for evil, turning good? That's what I call an amazing story. Keep it up, CN!

Eh, it is ok. Not bad, not good. I don't want you to not buy a book you want just because the bad reviews.

I love that book it is so good! Please write another one please please please. I haven't read any of your other books but this one is great!

Your books are getting better and better. The characters have a background story now. Why couldn't Conrad make a Jemma like he can create a Giant with a personality? I liked the theme, it reminded me of King Kong. I recommend this book if you like minecraft (or King Kong). Encourage you to keep on writing your great minecraft story's .

cool book! makes me want to get a mod so I can see one(I play minecraft pe) but, yea I like the book and the next book should be about a wither giant( there is such a thing in vanilla minecraft) and it is one of the the deadliest mobs ever. so, yea overall a good book and I highly recommend it. keep up writing CN. --TheGolem64
