What Difference Do It Make?: Stories Of Hope And Healing

Synopsis

Some Stories Just Can't Be Stopped . . . What Difference Do It Make? continues the hard-to-believe story of hope and reconciliation that began with the New York Times bestseller, Same Kind of Different as Me. Ron Hall and Denver Moore, unlikely friends and even unlikelier coauthors—a wealthy fine-art dealer and an illiterate homeless African American—share the hard-to-stop story of how a remarkable woman's love brought them together. Now, in What Difference Do It Make? Ron and Denver along with Lynn Vincent offer: more of the story—with untold anecdotes, especially Ron's struggle with his difficult father and Denver's dramatic stint in Angola prison; the rest of the story—how Same Kind of Different as Me came to be written and changed the lives of its author; the ongoing story—true tales of hope from people whose lives have been changed by Ron and Denver's story and how they make a difference in their worlds; your part in the story—wise, practical, and hard-lived guidance for how you can make a difference to those in need; plus intriguing extras—including full-page color samples of Denver's paintings. Deeply moving but never sappy or sentimental, What Difference Do It Make? answers its own question with a simple and emphatic answer. What difference can one person (or two) make in the world? A lot!

Customer Reviews

Ron Hall is an international art dealer whose long list of regular clients includes many celebrity personalities. He is the writer and producer of the Pure Flix film, Same Kind of Different as Me. An

MBA graduate of Texas Christian University, Ron and his wife Beth divide their time between Dallas, New York, and their Brazos River ranch near Ft. Worth. Denver Moore served as a volunteer at the Fort Worth Union Gospel Mission until his death in March 2012. Lynn Vincent is the New York Times best-selling writer of *Heaven Is for Real* and *Same Kind of Different As Me*. The author or coauthor of ten books, Lynn has sold 12 million copies since 2006. She worked for eleven years as a writer and editor at the national news biweekly *WORLD* magazine and is a U.S. Navy veteran.

Not as good as "Same Kind of Different as Me", as is so often the case with a sequel. Still worth a read though but only in conjunction with "Same Kind of Different-----."

This book is very thought provoking. Gave me insight to the homeless situation and the things that really make a difference.

sequel to Same Different as Me... in the midst of reading... quality writing and uplifting, spiritual story

A story that will not only change you and your perception of the world, it will ripple out to touch the lives of others.

After reading "Same kind of different as me," then "What difference do it make," I realized it makes a lot of difference. When you live in an area as I do, with many low-income families, I saw how I could allow God to use me to make a difference. I just needed to apply some of the principles Denver spoke about, i.e. prejudice, etc. I am trying to see others as God sees them, as children of God. Even attempting to help "a user." This lady has been to every agency, church, etc. for help and doesn't want to do anything about her situation, which makes it difficult to minister to her. We have quit giving money, groceries, etc. but continue to pray for her as I told her I would. That God would give her a clear picture of what He would have her do. One area of the book that spoke to me about the apathy of others, is when the lady stopped to help the man who was having a heart attack and when she shared what happened with a friend, the friend had no idea of the magnitude of the action...just stayed behind her mask and hid in the closet of life. I want so much to be like Ron and Debbie and embrace a fallen world and minister wherever God wants me to. These two books have helped me open my eyes even wider to minstry to others. Thank you Ron Hall and Denver Moore for your life-changing stories. KB

Ron Hall and Denver Moore just released a second book, *What Difference Do It Make?*, the follow-up to *Same Kind A Different As Me*. While these men thought they had told all there was to tell of their story, they were wrong. People around the country have been transformed by their story. It has brought hope, healing, and a new future to many. This book is structured like the last, with a chapter by Ron, followed by a chapter by Denver. In addition to writing more about their own stories, there are chapters about our stories! Ron and Denver share stories from around the country of people who have been touched by *Same Kind A Different As Me*. This book was a joy to read and refreshing to my soul. The problem of homelessness is addressed more directly in this book than in the last and ended with hope. The authors actually give helpful solutions for how we, as Christians, can help eliminate homelessness. That said, this book is not a how-to. It's a narrative of these men's stories - their faith, how they became friends, the woman the brought them together, and what their story looks like now. I highly recommend this book. And while they have included enough to fill new readers in, I recommend reading *Same Kind A Different As Me* first. Just as this book, it was truly life changing. I am a part of Thomas Nelson's Book Review Blogger program: [...]

Nonetheless, this review is my personal evaluation of the book.

Great book!

This book, was written after the *Same Kind of Different as Me*. After I read their first book I wanted to read more, as both Ron and Denver are remarkable men, a work of God's grace and creative thinking. I enjoyed learning more of their lives but winced a few times at their tell all stories.
