## Customer Reviews

This is a lovely Scriptural based coloring book from Christian Art Publishers. There are 55 pages of full designs as well as 7 pages of bookmarks, cards, and gift tags. All of the full designs in the book (as well as most of the extras) include a verse from The Psalms. The translations used are a variety: The Holy Bible NIV, the Holy Bible New Living Translation, the New King James Version and The Holy Bible English Standard Version. The Scripture is beautifully integrated into the lovely designs so that, while the words speak to the heart, the colorist can enjoy the beautiful illustrations as well. I like that there is such a large variety of designs but with the grounding of a single book of the Bible. The Psalms are the book I turn to when I am most troubled. The problems the Psalmist struggled with and the words he speaks to God usually find an echo in the things that I am struggling with as

well. Here is a brief overview of what I found in this coloring book: 62 Pages of Designs based on The Psalms  
Designs printed on one side of smooth, white, heavyweight perforated paper  
Glue Binding  
Most designs merge past perforations into the binding area  
Alcohol-based markers bleed through the page  
Water-based markers, India ink pens, and gel pens do not bleed through the page though gel pens require a longer than usual drying period  
Coloring pencils were mixed. I had good results with waxed-based soft lead pencils and hard lead pencils in general. Oil-based soft lead pencils laid down good color but did not blend well. Hard lead pencils did not dent the back of the page.  
I'm so pleased with the beautiful Scripture-based coloring books that I have found recently and am thankful to have found this one as well.

This is BY FAR one of my favorite adult coloring books! I started coloring almost a year ago, and have purchased several books with varying levels of satisfaction and results. This one, though, is my favorite and I will be taking it on vacation. The patterns are just the right size to color, and have some keystone verses that are sure to inspire and relax. The page thickness is just right, as some tend to be so thin that the colors bleed. I used the Staeder Fine Liner gel pens (also purchased here), and absolutely love them!

Absolutely gorgeous spiritual coloring book!! The designs and scripture are wonderful. The paper is a very high quality, close to cardstock thickness. The designs are so gorgeous, that you'll want to frame every picture you color. The majority of the designs are what I would describe as medium in detail. Not too easy and not really difficult. I'm very happy that I purchased this book! In the back of the book, you even get some extra goodies to color. Bookmarks and other types of small things to color and share with friends and family!

I really like this - can't wait to get coloring! Putting it in my camper.

This coloring book has beautifully done artwork, with inspiring psalms written inside. It has easy-tear single sided pages to color, with thicker paper perfect for using with gel pens or markers! I loved the variety of pictures it had, as well as the 'extras' to color in the back; the bookmarks, cards, gift tags etc. These have smaller versions of the same pictures in the main part of the book. I actually purchased this as a gift for a family member, but I like it so much, I might have to get one for me as well! :) Highly recommended! And I received nothing for my legitimately honest review! :)

The pictures are pretty and correspond nicely with the verses. Paper is thick of good quality. There is a good choice of Psalms and once colored make nice pick-me-up gifts. I bought the matching cards first which are miniatures on very stiff cardboard to color. I liked them so much that when I saw the full sized book I bought it immediately.

Well just kinda happy about this one but I will use it..SUCH little spaces to color.. Drawings need to be a little bigger so you can use color pencils.

There are a lot of awesome stuff in this which includes cards, bookmarks, and gift tags at the end which you can color as well.
