Wipe Clean Workbook: Kindergarten (Scholastic Early Learners)

Synopsis

Wipe Clean Workbooks - Kindergarten is a colorful, wipe-clean workbook to support children in their early learning. Provides plenty of practice for children on a wide range of early learning topics. A wipe-clean pen is provided, the wirebound book lies flat, and the glossy card pages are easy to wipe clean so that children can practice until they have really mastered a topic. This kindergarten book focuses on writing letters, letter sounds (at the beginning, middle and end of words), letter sequence, rhyming, matching words, writing numbers, counting, odds and evens, ordinals, sequencing shapes, volume, sorting and time. Scholastic Early Learners: Interactive books for hands-on learning. Perfect for babies, toddlers, preschoolers, kindergarteners, and first graders, too!

Customer Reviews

Fantastic workbook! My daughter started kindergarten this year and seems to be having a little trouble with some of her numbers and letters. She only learns by doing which makes flash cards and writing the same letter and numbers over and over again get really mundane and boring. She absolutely loves this wipe clean book! Lots of fun pages, she can literally sit and practice for what seems like hours without losing focus (which is nearly impossible for her with anything else!) Tons of fun and creative activities. This is a must have for learning, I'm already planning on getting more similar ones! It does truly wipe clean too, doesn't leave any residue or outline like some other dry erase. The book is sturdy, durable and really well made. You can't go wrong with Scholastic, it's

nearly all I buy anymore. High high quality books!

These are cute little workbooks and the kids love them. Easy clean up! The only issue is that the markers were toast after about a week of light use. Not a big deal since I just got different markers.

Some pages don't have the coating on them to make them wipe off. 4 pages don't

love it, lots of variety and good practice for my 5 and 6 year olds

Bought to use as a preparatory tool for my 3 year old in place of preschool at the moment. Definitely more of a supplemental book geared for kids with more pen control experience. Does not erase very well with Expo dry erase markers but works great with the mini pen it came with. I prefer the 'Wipe Clean'. Activity books over these.

I bought this for a newly 4yo and he enjoys it. Some of the concepts are more Kindergarten level but that is fine, it will just last longer!

My son loves this. It's the perfect learning book. Market is great and wipes right off when your done.

My child loves these books, hours of fun with a lot of educational learning. A must have for younger children, really helps with school work
