Pies And Mini Pies

PIES AND MINI PIES

Join the Mini Pie Explosion
Over 150 Recipes

Bonnie Scott

Synopsis

You'll soon be baking pies with confidence with over 100 great pie and mini pie recipes. From homey fruit pies, custard and cream pies to pies with unusual ingredients, there are pies for every occasion. You'll find chapters for tarts and toppings, crusts and refrigerated pies. You will also find great hints and tips for preparing a perfect pie that even your grandmother would be proud to serve. Join the mini pie explosion! Bite size mini pies are all the rage. The teeny tiny pies are so easy to eat and portion control is built in. These little baked goods are cute displayed in cupcake racks or put together into a shape like a Christmas tree for holiday parties. They make perfect party hors-d'oeuvres since they are finger food. And they are fun to make and can be made in advance of your get together. Whether you're a seasoned pro or a beginning baker, you'll find recipes your family will be asking for again and again. You'll also learn how to create mini pies from your standard pie recipes. Mini pies are a great way to serve a crowd and are perfect gifts for the holidays.

Customer Reviews

My family loves pie, and my wife also remembers them from her childhood as something that always brought pleasure. But in these days of everyone being overweight, our family is no exception, and pie just makes the problem worse. So when I say this book about mini pies, I bought it to take a look at it. This is the perfect book. I can make pies of almost any type, but still control the portions. These mini pie recipes are also great for potlucks at work, as they are unusual enough to make you stand out. So far we have only tried the "Ultimate Caramel Chocolate Pecan Mini Pies, but it was delicious. There are usually full size versions of each of these recipes, but our family is concentrating in the mini pies.

This cookbook is filled with plenty of easy-to-prepare recipes for pies and mini-pies. Each recipe for a regular-size pie is listed and then converted so you can make mini-pies if you prefer. The range of recipes is varied and extensive so you can find a pie recipe for any occasion. Some of the recipes include: Double Layer Pumpkin Pie, Blueberry Peach Pie, Butterscotch Cream Pie, Heavenly Yogurt Pie, Mississippi Mud Pie, Coffee Bavarian Pie, Fudge Pecan Pie, Peanut Butter Pie, Mandarin Orange Pie, Frozen Peach Cream Pie, Mexican Fiesta Pie, German Chocolate Pie

I love to bake and I am always looking to add a worthy cookbook to my collection. This time of year is all about pies for me: from fruit to cream to custard. I am loving the ones in this new book. I have never done much with mini-pies because, in my opinion it looked like 12x the amount of work as one full-size pie, but the author of this book carefully breaks down the steps of prep, assembly, baking, and clean-up which allowed me to try my first mini-pie (blueberry mini-pie) and it was wonderfully delicious! I highly recommend this cookbook.

Pies and Mini Pies

Lots of tips are the beginning of the book for one who's not baked pies before, also a good refresher for those who have. Not all recipes have pictures and there is no nutritional information although some are not made with sugar. Some of the recipes also have directions on how to make the recipe for the mini pie sizes. Lots of categories to choose from. Other works of the author are highlighted at the end.

What drew me to this book was the word "mini"! I love baking pies and always manage to have extremely good luck making the normal sized pie,. However, when it came to individual or mini, I had a number of hits and misses. This has changed this and I am extremely happy. The other thing I like about this book is the variety of the types of pies. I can please even my fussiest eater. I really

would say if you love pies, this is your book!

What a great idea - MINI PIES! Finger food for all my Thanksgiving guests. I plan to make pumpkin pies in teeny version since everyone is full by dessert time anyway. I am making 3 different pumpkin pie mini pies with recipes from this book -1. Pumpkin Ice Cream Mini Pies2. Pumpkin Chiffon Mini Pies3. Easy Pumpkin Mini PiesWhat a great idea to make ahead and freeze or refrigerate until Thanksgiving. Mini pies are also a neat idea for packing in lunches. And any food version that will help hold my waistline down by using built in portion control is a plus for me!

I like pie, what can I say? And I especially like mini pies. Don't know that they save calories, since you're actually getting more of the crust, which is probably a poorer choice of nutrients than the filling. But the concept of 'a whole lovely pie just for me!' (to paraphrase from the movie 'Home Alone') is appealing, to kids and adults. Now if I can just figure out how to make a light crusted mini pie, or a mini pie with the impossible (as in no knead, no rolling out, no shaping) pie type crust, I think I'd be in love....

ITS A GREAT BOOK.THE INSTRUCTIONS ARE EASY TO FOLLOW.SOME OF THE RECIPES I DIDN'T CARE FOR SOME OF THE INGREDIENTS,BUT I JUST CHANGED THEM TO WHAT I LIKE AND THE RECIPE TURNED OUT GREAT.
