The Bimbo Remote: Bimbofication In The Library (Making A Bimbo Academy Book 1)

Synopsis

Imagine if you could change anybody with just the press of a button. Darrin happened to get his hands on a magical remote control by chance, one that allowed him to modify those around him and transform them as he wished. At first he couldn't believe his eyes when a few button presses warped reality around him but once he came to terms with the power he had at his fingertips he couldn't stop himself from using it to have some fun. With The Bimbo Remote in his hands and with his female work partner sitting next to him, Darrin can't control himself from taking that first step down the rabbit hole and putting his remote to use, changing a pretty girl into a bimbo bombshell.
