The Girl's Fitness Guide: Expert Coaching For The Young Woman Who Wants To Look And Feel Her Best

Synopsis

Filled with all the essential information needed to set up an exercise program and keep it going, this fitness and health handbook teaches young women age 12 and up how to exercise, eat right, and take care of the body. Focusing on the close interrelationship between exercise, nutrition, and body care, the components of this complete exercise program include stretching, aerobic exercise, resistance exercise, nutrition, and body care. The 7-day exercise program presented in this guide will help young women build poise and self-assurance and instill in them a lifetime of health and vitality.

As a parent and a writer, I certainly appreciate a book that gives you solid advice while doing so in an easily understood, enjoyable way. This is a great guide for dads (and moms) to assist their daughters in developing a healthy and happy lifestyle...the right way. This book uses solid exercise and nutrition advice and equips girls for optimum health...which doesn't mean forcing them in to harmful stereotypes of beauty and health. It was a great read and a worthy resource for engaged parents. I highly recommend it!
