Language: English

ISBN-10: 0528881159

ISBN-13: 978-0528881152

Product Dimensions: 0.2 x 4.2 x 8.2 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 54 customer reviews

Best Sellers Rank: #23,493 in Books (See Top 100 in Books) #2 in [Books > Health, Fitness & Dieting > Exercise & Fitness > Swimming](#) #18 in [Books > Reference > Atlases & Maps > World](#) #28 in [Books > Sports & Outdoors > Water Sports](#)

Customer Reviews

It's a very nice map, however the previous one I had included half of the states on one side, half on the other side, which means the map was much larger and easier to read. I was able to highlight our whole trip easily to show our route in a glance. The whole map on one side was much smaller, highlighting our route was not a good option.

Worked great for my purposes, but be forewarned, its not exactly the most detailed of maps, and

really should only be used for planning purposes, and major road travel.

The map is hard to read because everything is so small and not detailed. I ended up getting the big map book.

needed a map to plan road trip stops that allows you to see the whole eastern US at one time. Unlike GPS and Others that lose detail the farther out you scan. Sometimes old tech is better than new high tech when you have a specific need.

Great map for when we go on vacation. I don't like GPS and was brought up on using a map so this will really help while on vacation.

Not enough detail

As expected. Small print. Hard to find anything other than the major routes.

perfect and worked like a champ!
