Thick, premium 140 gsm paper features a smooth finish for clean strokes and no bleed. Nibs won't catch or skip on the paper surface. [Slant Grid](#) A light gray slant grid on each page guides your practice. Lines are dark enough to be easily seen, but light enough not to disrupt the appearance of your calligraphy. [Great for Varied Media and Styles](#) Useful for practicing calligraphic styles including Copperplate, Spencerian, Italic, brush lettering, and other types of lettering. Works with dip pens, fountain pens, calligraphy markers, brushes, reed pens, and more. [Sturdy Construction](#) High-quality tape-bound pad holds together in everyday use. Sheets can be

freed from the pad cleanly, with no curl, once you've finished with them.

[View larger](#) [Calligraphy Practice Made Simple](#) Master letter forms faster and more easily with the help of this slant grid practice pad. Subtle gray lines guide the angle, spacing, and alignment of your letters, and help you see and adjust any mistakes. Thick 140 gsm paper prevents bleed-through, even with heavy ink and watercolor brush lettering. A smooth finish keeps nibs (including flex nibs) from snagging or "grabbing" the paper's surface, ensuring clean strokes and prolonging the life of your writing tools. 50 sheets allow you plenty of space to experiment, practice, and learn. ***THIS IS A REAL REVIEW!!! I DID NOT RECEIVE A DISCOUNT OR FREE PRODUCT IN EXCHANGE FOR MY REVIEW!!!**I do not love this paper to be honest. I wanted it for practicing calligraphy and just....cannot. My complaints: The second the wet ink hits the page it starts to crumple from the moisture so your lettering is affected. The entire page curls up and then the notepad no longer lays flat for storage. The pages also just fall out once they are turned, which I feel with this type of notepad you should be able to choose if you want to rip a page out which for me I did not - they just fell out and then I couldn't keep all of my work together. Will not purchase again.

I hope my granddaughter shows an interest in learning this skill. I looked it over and I could probably learn it as well very fair price and good delivery time.

I can write easily on it with pointed pens. My nibs don't catch. I love the guidelines too.

I live in the middle of nowhere and that is not something I can find here. It works for me, since I am starting over after a break of about 55 years.

Great writing paper will buy more.

This is a great pad- perfect for practicing. Nice paper quality and arrived quickly. Works great with my kuretake calligraphy pens.

A nice weight paper with clear guidelines. There are no instructions on how to use the guidelines, so you will need to find your own instruction book or video.

My ten year old niece loved it and is learning the art of calligraphy!
