New York City (Eyewitness Travel Guides)

Synopsis

Drawing on the same standards of accuracy as the acclaimed DK Eyewitness Travel Guides, each book in DK's Top 10 series uses evocative color photography, excellent cartography, and up-to-date travel content to create a reliable and useful pocket-sized travel guide. Dozens of Top 10 lists provide vital information on each destination, as well as insider tips, from uncovering a city's most memorable sights to finding the best restaurants and hotels in each neighborhood. And to save you time and money, there's even a Top 10 list of Things to Avoid. Each Top 10 contains a pull-out map and guide that includes fold-out maps of city metro systems, useful phone numbers, and 60 great ideas on how to spend your day.

Customer Reviews

Excellent travel guide for someone who is in love with New York City like myself. Very informative, with fantastic tips, to make you feel much more confident getting about this fantastic city. Also, thumbs up for the delivery and shipping service. Everything went OK, even sooner than expected :)

Great book with up-to-date information and pictures about NYC. Has relevant information about food, sights, accommodation, travel etc. Love the suggested walking tours. Generally speaking this range of travel books is good. I've used them before for other destinations, and that is why I bought this one about NYC.

I can tell this are the best travel guide you can buy before visiting a new city or country. It has all the information you need! I have this one and also bought the USA travel guide as well... Both are great!

Lots of good details. Looking forward to having it along on our trip in the near future. Should be a great guide book!

Buy this if you are visiting NYC! It gives you a great background and history of different places around the city. Great pictures!

This book is handy for trip - light, comprehensive and sufficient for tour. Love it.

Eyewitness guides are the best. The area by area highlights and maps have never failed to exceed expectations. The restaurant suggestions and attraction suggestions are always good.

I wasn't quite impressed with the information - they're all stuff you can find online or in all the other NYC travel books. The photos and snippets of accompanying information were fun to browse through on my flight to NYC. It was enough to give me an idea of the main things I wanted to do during my travel there (I used the internet for in-depth info about the main things I decided upon while flipping through this book). I suppose I could have gotten more in-depth information from other travel books but I was just drawn to the colorfulness of the book.
