The Friend Ship

Synopsis

Little Hedgehog is very lonely. But then she overhears passersby talking about something that gives her hope-something called a Friend Ship! Hedgehog imagines a ship filled with friends of all kinds, and soon she's ready to hit the open seas in a boat of her own to track it down. Along the way, she meets other lonely animals eager to join her quest. They search north. They search south. They search east. But Hedgehog and her new friends can't find the Ship anywhere! Until she realizes she knows just where the Friend Ship is. . . This heartwarming tale by Kat Yeh, with charming illustrations by Chuck Groenink, proves that sometimes, what you're searching for is right in front of you.

Great book, have read it several times to my kids. Very nice theme and positive message and can open dialogues about other issues easily.

Good for the younger kids.
