Color + Design: Transforming Interior Space

Synopsis

In this second edition of *Color + Design: Transforming Interior Space*, Ron Reed instructs interior designers how to effectively use color in conjunction with key design principles such as balance, rhythm, emphasis, proportion, scale, unity, harmony, and variety. This new edition expands upon the author's innovative approach with an updated art program featuring increased coverage of current commercial and residential environments; updated insights into how people perceive color, including new content about different cultures and ageing populations; and updated and expanded pedagogical features and exercises. *Color + Design STUDIO*-an online tool for more effective study!

- Study smarter with self-quizzes featuring scored results and personalized study tips
- Review concepts with flashcards of essential vocabulary
- Practice your skills with projects and exercises
