ESV Reader's Letters Of Paul (Cloth Over Board)

Synopsis

It's unquestionable that the apostle Paul is the most significant theologian in church history. He solidified his theology in letters to early churchesÃ¢â¬â•texts that remain as challenging and relevant today as they were to their original recipients. The ESV Reader's Letters of Paul was produced in celebration of the 500th anniversary of the ReformationÃ¢â¬â•a period of time in which the reformers rediscovered the vital theological truths within Paul's epistles that have shaped Christian theology ever since. The text of Paul's thirteen letters is presented without verse and chapter numbers in a clean, single-column format on thick, cream-colored paper to encourage extended reading. An introductory article explains how the letters fit within the rest of the Bible as well as the important role they have played in the history of the church. Features: 5.25" x 7.75" 12 pt, Trinite 244 pages Black letter text 2-color printing Introduction to the 13 Pauline epistles Thick, cream-colored paper Single-column, paragraph format Presentation page Smyth-sewn binding Packaging: Permanent slipcase

Average Customer Review: 5.0 out of 5 stars   2 customer reviews

Best Sellers Rank: #6,980 in Books (See Top 100 in Books)   #45 inÃ Â Books > Christian Books & Bibles > Bibles   #1221 inÃ Â Books > Religion & Spirituality

Customer Reviews

Excellent quality, large font, spacious margins around the entire page. Sounds strange, but at times while reading this volume, I almost forget I'm reading a Bible and I feel like I'm reading a letter sent personally to me by Paul. Is that due to the elimination of chapter and verse numbers as well as topical headings? I'll just say it feels more natural to read the Bible this way since that's how it was originally written. Or should I say it feels more supernatural?

I want to start off with the only con: I personally don't like the cover. This is only personal (and not

enough of one to knock off any stars)!The pros: (other than the fact that it's the Bible) the letters flow, and can be read in the original way the early church read them! It is so much easier to catch themes that repeat themselves in each letter. The paper is high quality, and the text is big enough that you don't strain while reading it. There is an introduction at the front that explains the importance of Paul's letters, especially in the wake of the reformation.
