## Customer Reviews

These days, we're faced with a mountain of choices when it comes to finding ideas for delicious, original dishes that break the everyday routine. We look for inspiration from the Internet, cookbooks, television, friends, and colleagues, but it's so easy to become overwhelmed by so many suggestions—both the good and the bad. Our team of chefs and researchers consulted dozens of foodies and kitchen-tested hundreds of different ingredient combinations to create this

affordable collection of the world's best pizzas for kitchen novices and experienced cooks alike, accompanied by stunning, vibrant photography. And the 60 we've selected are the best of the best of the best! So get cooking and see for yourself these are the best pizzas ever. Period.

Véronique Paradis studied at Montreal's Institut de tourisme et d'hôtellerie du Québec, and has spent the last ten years honing her talent in some of the city's finest kitchens, as a caterer, and abroad in Europe and Australia. Veronique's inquisitive, hands-on attitude fuels her passion for unlocking fantastic flavors and irresistible combinations, and inspire people to cook and create memorable meals with fresh, delicious ingredients.

The product came on time and in good condition. Love the pizza ideas in this book. My family loves pizza and we're always making the same pizzas, so this book is godsend! Will plan to try out a lot of them over the next year and make it fun with the kids...even to do a iron-chef type pizza challenge at home or at get-together.
