## **Customer Reviews**

This book has been very helpful for me as a 1L. Why the digital format is a bit wonky to get used to at first, the book itself is extremely easy to read. Oh yeah, did I say useful? Buy it, you won't regret it when your 1L exam starts asking you about future interests.

If you're taking a prof who makes you take an exam as it was in 1700 this guide is perfect. If you have Wolfe at UF Law, this book should be a requirement for the midterm.

Terrible condition book.

Extremely helpful! Would recommend to any 1Ls struggling with this portion of property. Very easy to read and provides many examples.

I plan to return this ebook as it will not display correctly on either devise I attempted. Don't buy if you

plan to use a kindle or ipad.

This is extremely helpful - buy this BEFORE you start studying estates. Gives you a standard process for determining estates.

Great for understanding Future Interests

great book, but never used it in class
