your power, your life. God will pour out His blessings to you in Christ. You can receive His powerful provision today! "But thanks be to God, who gives us the victory through our Lord Jesus Christ." 1 Corinthians 15:57 NKJV

Watchman Nee was born in China in 1903 and given the name Ni (Nee) Shu-Tsu. At seventeen years of age, he wholeheartedly accepted Christ, and he sought and received the power of the Holy Spirit for ministry in 1922. In 1926, he contracted tuberculosis and was not expected to live. In spite of weakness and a high fever, he wrote his three-volume work *The Spiritual Man*, which he wanted to leave as a spiritual legacy after he died. However, Nee was miraculously healed by God after several months of illness, and he completed the work in 1928. In 1934, he married his wife, Charity. Having a photographic memory, Nee felt that the Lord was calling him to be a "watchman" for his fellow Christians in China, and so he began to read everything he could about the Christian faith. He was used by God not only to convert many to Christ, but also to plant many local fellowships throughout China and Southeast Asia. He also authored numerous books on the Christian life. Watchman Nee continued faithfully in the service of his Lord until the Communists imprisoned him in 1952, where he was confined until his death in 1972.

What a treasure. Hubby and I have loaned many of our Watchman Nee books over the years. Unfortunately people forgot to return so we find our selves restocking our library. Watchman's writings impart such revelatory truth that his works are not the kind of books that you pick up and just read through like a storybook. You'll find yourself chewing on this for a long time. Keep your bible handy to run reference. Always pray before reading so that you can grow into Him. Enjoy.

This book portrays an excellent insight into the character of God and Christ. It's style is written in "chunks" of wisdom, understanding, and knowledge of the scriptures. Most importantly, it addresses every generation's problem...a lack of spiritual power among God's children due to a lack of an understanding of authority and love. The questions are posed and the answers that are given are astounding. While reading this book, I found myself stopping, rereading, and meditating often on the spirit breathed words of Watchman Nee.

This book reveals deeper truths about scripture and really unearths the power in revelation. Denying ourselves by not looking at ourselves at all, and joining our volition with The Lord's will makes us useful. This book is so spiritually rich. It took me forever to read, there was so much to meditate on.

It truly helps you to understand that spirituality is reality and should be an experience and not a knowledge. I loved every moment of it. I will happily read it over and over again.

Hi,I checked my account this morning and discovered that my account has been deducted for kindle. I have no idea how it works and I'm not sure when I click the link to buy. I'm busy preparing for exams now so there will not be time to explore how to use it.Consequent upon this, I want my money to be refunded.I hope to hear from you soon.Best wishes

Good book Timely Delivered

Watchmen Nee was a prolific writer and now this book collects all his best quotations from his best known works. From the Normal Christian Life to the Release of the Spirit, passages from Nee's greatest books are collected in this excellent work. A truly great encouragement!

This book is a synopsis of all of Watchman Nee's writings. I've enjoyed it thoroughly. Those sections of books which I don't own of Watchman Nee's, I've wanted to purchase because of the richness of what's written in "Secrets to Spiritual Power".

This is more a collection of many of Watchman Nee's sayings though if you've read much of Watchman Nee, is still a good book for reading and 'spiritual maintenance'.
