Required reading for my yoga teacher class. Excellent resource

Very Informative

Very detailed with clear explanations. Excellent resource

Donna Farhi writes beautifully and creatively and this book isn't just for reading. There are "inquiries" about every other page - an opportunity to stop and notice what is happening in one's own body, with specific questions to ponder. I'm taking my time through it but know it will continue to be helpful and delightful reading.

Very helpful book explaining breath for yoga practice.
