Charles Timmerman is the founder of Funster.com, a word game website that was selected as a Yahoo! Pick of the Year, and the author of more than 100 puzzle books, including The Everything Word Search Book, The Everything Giant Book of Word Searches (Volumes 1 to 4), and The Everything Easy Word Search Book.

My grandmother loves these books. Please carry more Everything Word Search Books!

I purchased this for my grandmother as a gift. She loves them! She loves that they are large print so she doesn't have to strain her eyes. She is always using this and working on puzzles. I have to get her a new version soon!

I chose this book because my husband suffers from dementia and these are the only kinds of puzzles he enjoys, and his neurologist says they are good for him. He will do them for hours. Aside from being large the print is very defined on a white background. . I really appreciate the size of the print and the puzzle itself because he also has cataracts, which can't be removed due to his heart condition. I have had other Timmerman books and they have all been easy for my husband to use.

This was a gift for dad on father's day, he is quite pleased with the book. He loves the puzzle books and if he is happy so am I.

My mother, in her mid-80's, loves these.

Disappointing. Although the topics were interesting, the puzzles were so easy that the words leap off the page at you. Unfortunately a very low level of vocabulary has been used with extremely short, simple words. Would be great for grades 5-9.

Gift for my 93 year old mom's birthday. With the large print, she won't have to strain to see the puzzles. She will love this!

What is a USED BOOK? The book my wife got for Christmas was NEW and will give her a lot of enjoyment as she works through the puzzles. The large print enables people with vision difficulties to enjoy the puzzle solving exercises also.
