Customer Reviews

Invaluable for church music planners.

Wonderful tool for any church choir director. I highly recommend this if you like to make the musical selections mesh with the Scriptures and litany for each Sunday. It has all 3 liturgical years and gives numerous selections for each Sunday. Worth every penny!

This is indispensable for anyone who directs a choir and wants anthems to fit the lectionary!

This handbook is a fantastic resource for developing church musicians. The editor has combined a fine list of musical rep. that is appropriate for smaller church choirs to larger ones. The music for the most part is accessible. One could only be careful not to rely on such resource for all their creativity when developing a truly holy liturgy, or work of the people. As it stands and stated previously, it's a fantastic resource for church musicians though should only be used as such, not as a vehicle or

clutch for your the completed development of a church music ministry.
