Black Clover, Vol. 6

Synopsis

In a world of magic, Asta, a boy with anti-magic powers, will do whatever it takes to become the Wizard King! Asta is a young boy who dreams of becoming the greatest mage in the kingdom. Only one problem—he can't use any magic! Luckily for Asta, he receives the incredibly rare five-leaf clover grimoire that gives him the power of anti-magic. Can someone who can't use magic really become the Wizard King? One thing's for sure—Asta will never give up! Asta's vacation is anything but rest and relaxation when children start disappearing all around him. But in order to take down the kidnappers, Asta will have to team up with Gauche, a mage who hates his guts!

Yuki Tabata was born in Fukuoka prefecture and got his big break in the 2011 Shonen Jump Golden Future Cup with his winning entry, Hungry Joker. He started the magical fantasy series Black Clover in 2015.

I really like this series. I mean the main character is like the main under dog. I think it is awesome.

great series

Like the rock lee like main character. Like the early show of super magic which gives a hint of the

level the main character will have to reach to achieve his goals.

Just keeps getting better. It starts just a little slow, but once it kicks off it is one thing after another. All of the events that take places are really entertaining. I never really get bored of this. I really hope this becomes a big anime someday. The characters have their own fun quirks, but they can still restrain their silly and be seriousness when need; At least to some degree. It makes it believable that they are able to do so. Everyone has their reasons for doing what they are doing, and have their own failings that they try or do learn to overcome. The main character is a underdog, after all he has no magic compared to the rest of the magic based world. He does though, have a ability to make up for it if he learns and works to use it better. He is silly, a little bit of a dork, but he is and can be very serious where it is needed. He works hard and earns his strength, you see the characters grow and master their skills. Basically, he is a silly guy that seriously works hard and he is actually a calm and smart character. He is not just a idiot that charges straight in like Naruto. If things do not work out, he figures out what he is doing wrong, or figures out a weakness to exploit. I really like his character, basically the same can be said about his rival. It reminds me of Naruto; Quality and possibly long lasting potential that is.

Volumes 5&6 werent as good as the first 4 to me, but they both had some interesting stories. Asta learned a new skill and yet another intriguing reveal was made about his powers that made it worth it.

Great series I really recommend it
