Customer Reviews

Mountain bikers, beginner to expert, all share a common need - a place to ride. Mountain Biking Jackson Hole gives fat-tire enthusiasts the skinny on where to ride. Here are thirty-one of the best rides in the Jackson Hole area, from Hoback Canyon and Granite Hot Springs to Grand Teton National Park and Shadow Mountain; from Teton Pass and the Salt River Range to the National Elk Refuge and along the border of the Gros Ventre Wilderness Area. Take your pick from scenic recreational rides, hot singletracks, lung-burning climbs, and demented downhills. Detailed ride descriptions make it easy to find the trailheads and follow the routes. You stay on track with accurate distances keyed to easy-to-read maps and ratings for physical and technical difficulty. (4

The directions / maps could be clearer; I was only able to figure out the locations by using it with a really good local trail map. The rides are a nice sampling, oriented toward casual or moderate riders. Serious MTB'ers will be better served by asking for suggestions at the local bike shops.
